*O*ur 160-page wine list has always been a family passion. Since 1983, the Flagstaff House Restaurant has earned yearly the coveted Grand Award from Wine Spectator, recognition that our wine list demonstrates our passionate devotion to quality and depth while providing excellent harmony with our menu. Our wine cellar of more than 20,000 bottles includes great wines from around the world, with an emphasis on California, Burgundy, Bordeaux and Champagne.

Dining Experiences Since 1971

The Monette family welcomes you to the Flagstaff House Restaurant. Since 1971, the Monette family has created a unique fine dining experience combining an award-winning wine list, exquisite food, and detailed service with the personal touch of a family-owned restaurant.

Now you can also enjoy a piece of the Flagstaff House experience in your home by visiting our online store at shopflagstaffhouse.com. Here you will find fresh culinary creations prepared fresh in our kitchen as well as over 100 gift items, many that can only be found in our restaurant.

The Flagstaff House Restaurant is an ideal and unparalleled venue for companies to conduct their business meetings and corporate retreats, day or night. And we can also make your next special event even more special! We can accommodate as few as 8 or as many as 180 people in our elegant world class dining atmosphere. Our fresh mountain air and inspiring views will make your next business meeting or special event unforgettable.

The Flagstaff House is also the perfect location to have the afternoon or evening wedding you've always dreamed of! Whether it's outside on our terrace or inside with our floor to ceiling picture windows, the Flagstaff House is an unforgettable destination for wedding ceremonies, rehearsal dinners and receptions.

Originally a cabin built in 1929, the Flagstaff House Restaurant sits nestled on the side of Flagstaff House mountain surrounded by mountain park and open space. The Monette family founded the Flagstaff House Restaurant in 1971 and has expanded the property to include floor to ceiling glass windows and several outside terraces. Located minutes from Boulder, diners enjoy breathtaking views along with abundant deer, an occasional bear, and other wildlife indigenous to the surrounding area.
